HISTORY AND DEMOGRAPHICS

One of the best lakeside 5Ks in Chicago and the only running event geared towards Chicago's legal community, Race Judicata®, presented by Chicago Volunteer Legal Services, features a great course and a free after-party with live music, free food and drinks. Over its 17 year history, Race Judicata® has become the premier event of the summer for Chicago's legal community. Law firms, corporate law departments, attorneys, paralegals, judges, government personnel and support staff along with other Chicago professionals flock to the city's only 5K event targeting this influential market. All proceeds benefit Chicago Volunteer Legal Services, which provides free legal services to Chicago's poor and working poor families.

Race Judicata® is unique in that our after-party is just as big a part of the event as the race, keeping race participants and spectators entertained for hours after the race is over. No other event offers such a great opportunity to give your products and services so much exposure to such an affluent target audience for so long.

Take advantage of this unique marketing opportunity today. For more details on the race, or for creative ideas to increase your company's visibility at the race, call 312.332.3319.
